3 DAYS 2 NIGHTS THE GIANTS CAVES OF MULU

Day One

Arrive Mulu Airport, meet and greet by our friendly representative and transfer to your accommodation of your choice – Mulu Marriott Resort or Park HQ. Early afternoon, meet in the Park HQ to proceed on foot via the 3.8km designated path for 45mins through the peat swamp forest to explore Lang Cave first. Lang Cave is considered the youngest of the 4 show-caves; therefore it's smaller but produces some of the most spectacularly large limestone formations including the Jelly Fish-like stalactite. Next explore Deer Cave, the entrance of which can contain the size of St. Paul Cathedral 5 times over. Late afternoon, witness the bat's flight (depending on the weather). Return to Park Headquarters then transfer back to your accommodation for rest and free at own leisure.
